

Technology Fair
Call for Participation

Deadline March 15, 2007

Are you using technology in a new or innovative way? Have you created informational or instructional materials or applications that utilize technology? Streamline services or work flow with technology? A technology fair will be held during the Omaha 2007 meeting. This is your chance to show off!

Submission Requirements

All abstracts must be submitted under the following criteria:

- .doc or .rtf document format
- 12 point font
- Title
- Participant(s) and affiliation
- Description of technology or utilization, no more than 500 words.
- Equipment being utilized.

Internet access cannot be guaranteed; therefore, all applications should be self-contained. Participants must also provide their own equipment.
