

## MCMLA Honors and Awards Committee Final Report 2007/2008

The MCMLA Honors and Awards Committee proposed the following goals for 2007/08:

The committee will advertise the availability of chapter awards through the local and state chapters as well as through reminders on the MCMLA listserv.

The committee will continue to monitor the nomination process. Nominations will be made through the MCMLA Web site with nominators encouraged to submit nomination materials as PDF files through email.

The committee will promote the new online nomination form, which is explained plainly on the MCMLA Web site.

The committee will honor the award winners at the annual meeting with special recognitions throughout the meeting.

All goals were met as proposed.

The committee is pleased to report the 2007-2008 MCMLA Awardees:

Sarah Beck Kirby - McDowell Award

Brenda R. Pfannenstiel - Outstanding Achievement Award

The committee regrets that no nominations were received for the Hetzner Award.

The MCMLA STARS! Listing was completed again this year with 21 members submitting information for the listing.

Respectfully submitted,

Lisa Traditi
