

MCMLA Chapter Credentialing Liaison  
Fall 2008 to Fall 2009

This was my first year as the MCMLA Chapter Credentialing Liaison to the Medical Library Association. I submitted brief articles “AHIP Wants You” February, V29, #1 2008 issue and “AHIP...A Hip What?” August, V 29, #3 2008 in the *MCMLA Express*.

I attended the MLA Credentialing Committee meeting in Chicago, May 2008. I am not able to attend the MCMLA meeting in Cody, Wyoming and arranged for Lynne Fox and Mary Helms to lead the discussion session related to AHIP credentialing.

Although not a requirement of this liaison position, I am mentoring a beginning librarian during her provisional period of AHIP membership to further help me in my role of liaison and bringing topics to the MLA Credentialing Committee.

There have been several questions from MCMLA members during the past year about AHIP, requirements, points, etc. I plan to attend MLA 2009 meeting and continue to contribute brief articles to the *MCMLA Express*.
