Subject: MCMLA Education Committee July 25th minutes

Minutes from July 25th meeting.

Attendees: Holly Henderson, Marty Magee, Marie Reidelbach, Keri Swaggart.

Marie recently attended a conference on Copyright with grant assistance from the MCR. A webinar is scheduled for Wednesday, August 29 at 10am CT via Adobe Connect. She'll be presenting an educational session on copyright. The MCR will promote this through their usual Breezing/Spotlight means and Holly will get information out via the MCMLA listserv.

Susan reported that CE registration is currently low for the KC annual meeting. The conference committee has an early deadline of August 7th, but they may be extending that by a couple more weeks. Susan will be meeting with the conference publicity committee to get some ads out about the CE classes. We all felt that people just aren't aware of the deadlines to register and more publicity will get people to move.

Marty reported that the PubMed class scheduled in KC during the annual meeting has 19 enrolled so it's a go.

Next meeting will be August 22 via Skype at 10am CT

Thank you! –Holly, Chair MCMLA Education Committee
