Dear members of the MCMLA Executive Committee,

The VOTING members (See list below) need to vote whether or not to approve the chapter transferring to Affinipay. Kindly submit your vote to me ASAP, and cc Nancy nwoelfl@unmc.edu

Chapter Council Representative Alt: Kim Harp

Jackie and Tisha had a conference call with Sunny at Wild Apricot. Wild Apricot will be charging an additional \$194.10 to users who do not switch over to their payment system (Affinipay) to collect dues/registration fees. Currently the chapter is using PayPal. If the chapter switches to Affinipay, we will save the \$194.10 charge and members paying dues/registration fees will not be switched over to PayPal – the payment process will be seamless.

Additional information:

- The chapter will not get away from fees for using a credit card to pay dues/registration fees. Wild Apricot will charge 2.9% + .30 for each transaction (just like PayPal does). Also, Affinipay will be passing on charges from the credit card companies. For VISA it will be a \$2.00 monthly fixed acquirer network fee; Mastercard will charge \$1.25. The Affinipay fees are waived if the chapter is a 501 (c) (3). Even any additional Affinipay fees will not exceed the additional \$194.10 that Wild Apricot will charge the chapter if we do not use Affinipay.
- Affinipay will daily deposit into the chapter checking account dues/registration fees that are collected. Jackie will not have to initiate that transfer process like I do now with PayPal.
- Affinipay does have a report system regarding payments – it is not as robust as PayPal but would be sufficient for the chapter's purposes.

The setup will take 2 to 3 days. Tisha and Jackie agree this should be done prior to the start of collecting 2020 dues. Note: the dues form is currently not on the chapter website. It will go live again on January 1, 2020.
